

Residential Cleaning Checklist

A clear look at recurring maintenance, deep cleaning, and optional add-on services

A cleaning plan built around your home

This guide shows our typical residential scope. Every estimate and service checklist is customized to the home's condition, priorities, frequency, and approved budget. Your written estimate is the final scope of service.

How Our Residential Services Work

Recurring Maintenance Cleaning

Designed to preserve a professionally cleaned home through consistent upkeep. Best results usually begin with an initial deep-clean reset.

Deep Cleaning

A more detailed reset that targets buildup, edges, trim, fixtures, and areas not addressed during every maintenance visit.
